Whenever you close it, its lights turn off, or do they?*

Riddle 2

*You use it when you feel dreamy, or sometimes when you feel sad
You can lay your tired body and rest your little head*

*White sheets are comfy and soft, a puffy pillow is like a cloud
It's where you must whisper, but loud snores are also allowed*

Riddle 3

But it's a great way to spend time, all the same.*

Laughter, sadness, thrill and even fear.*

Riddle 4

Sometimes you find it next to a room, sometime next to a hall*

*It has a handle in its middle
I got nothing more to say about this riddle*

Riddle 5

Sometimes it will have arms, or it might be flat*

*It gives you rest, some place to land
If it wasn't there, you'd have to stand*

Riddle 6

*You may not notice it, but it is there on the ground
You can choose to step on it or just walk around*

*Is it round? Square? With patterns? Blue or green?
It can be there for beauty or keep the floor clean*
